3700 of 27th Jan 1893
dated 19th Jan 1893

In January 1893, the Comptroller forwarded to the Chief Secretary a letter from Messrs Scott and Co. agents of the Maharajah of Mysore Spinning and manufacturing Company received in reply to his repeated Communications drawing their attention to the fact that the policy No 1718982 for Rs 80,000 assigned to the Mysore Government expired on the 30th nov 1892. Messrs Scott and Co's letter was to the effect that the above policy had been renewed, that the delay in the issue of 'Renewal Receipt' was due to the rearrangement of that and other policies and that it would be forwarded to the Comptroller as soon as it came to their hands. The Comptroller was thereupon ordered to call upon Messrs Scott and Co. to immediately submit the correspondence shewing the renewal of the Policy that they might be deposited in the Treasury as Vouchers till the receipt of the 'Renewal Receipt' and to keep the Insurance Policies

14527-8 / 303-92 of 25th Feb 1893

deposited with the Durbar in full force by renewal from time to time

On the 1st March, the Comptroller forwarding a letter from Messrs Scott & Co dated 25th Feb to the effect that they were revising and rearranging all their Policies and that they would send the 'Renewal Receipts' as soon as they receive them, Stated that out of the 10 Policies aggregating Rs 3,83,500 assigned to the Mysore Govt, only 4 were in force and that even these four would expire before the end of the month, that the balance of the Loan due to the Govt was Rs 2,15,000 and that the agents attention had been drawn to the expiry of the policies: Messrs Scott and Co's letter of the 2nd march stated that they had written to the Atlas Assurance Co Bombay to expedite the transmission of the 'Renewal Receipts' and that in the meanwhile they sent an 'Interim Protection note' to the Govt along with their letter for the Policy in question.

They were thereupon informed that their letter was very

vague as failing to shew that the total existing Insurance covers the whole Mortgage amount, that according to the Comptroller's Statement the last of the 10 policies assigned to Govt expired on the 26th Inst; that the 'ad interim Protection Note' was in force for only 30 days from 30th Nov 1892, that their delay to furnish the Renewal Receipts was unsatisfactory, and that the failure to furnish the full information asked for in 14527 of 25th Feb was unaccountable

On the 22nd March, Messrs Scott & Co forwarded to the Chief Secy Insurance Policy no 755467 for Rs 1,10,000 and after explaining the Cause of the delay proposed, as the debt to Govt was reduced to Rs 215,900, to settle a stated Sum which would be Rs 250,000 as ample Cover for the Govt loan and pointed out that if so settled, they would have this amount put in the Name of the Insurance Govt (the policies of which to be always in the hands of the Govt. so that the Govt may if at any [illegible] cancel the premium

by Asalf thus removing all doubt and Correspondence on the matter; and ~~I~~ requested to have the matter placed before the Govt at once before the Policies are recast.

On the 27th March Messrs Scott & Co forwarded to the Chief Secy for perusal and information five Cash receipts (of which Renewal Receipts had not been received up to date) from the Atlas Assurance Company for Rs 4837-4-5, which together with the receipt for Rs 800 sent on 2nd March made a total of Rs 5637-4-5

The Comptroller will be requested now to report whether the Renewed Receipts have been received & if not whether they are in order & if not what steps should be taken

Dear Sirs,

I am in receipt of your letter of 7th inst: returning list of the offices on your Mill for which I am obliged. I have now been able to complete your specification & I find that it works out to a premium of Rs. 6576:4:0 on an insurance of Rs. 6.52.000 giving an average rate of about 1 % as compared with a rate of a little over 1¼ % on the old specification.

As a very large proportion of your policies expire next month I propose to defer getting all the offices to adopt the general specification till the 18th proximo, the date on which the policies on the Weaving Shed fall due. In the meanwhile however we can adjust the account for the policies expiring 30th November for which you have paid us part premium.

The policies stand as follows:-

On Mill Buildings Machinery &c.

When you remitted Rs. 1500 to us in November we had to pay Rs. 5:10:0 discount for cashing the draft & this brings up the total amoun to Rs. 1 58/- Deducting Rs. 1,00/- already received this leaves a balance of Rs. 358/- which we shall be glad to receive. In explanation of the discount payable we would inform you that Messrs. Volkart Bros: have reduced the amount of discount their offices payby 5 % . Sirs,

Your letter of the 2nd instant on the subject of Insurance Policies has been duly received.

Dear Sir,

Insurance Policies.

We are in receipt of your letter No. 15323 dated 20th March/93 and are very surprised to learn that you term our letter of 2nd instant as "very vague".

We gave you all the information that it possibly could at that date. We told you also that the whole of the Policies were re-modelled and it would take months to do so, as reference had to be made to England.

Probably you are not aware that there are over 20 Policies in number which mature at all times and seasons of the year. To correct this, and save immense trouble, we have ordered the whole of the Policies to be re-cast and made payable at one time, in November every year. Hence the cause of this delay and trouble in re-casting.

The whole of the property is insured for £661,000 as per Atlas Assurance Co's letter of 8th March/93, and as per copy of our letter

Of 18 Instant covering Cheque for £1000-3-4 which is the last amount of Premium payable. We have paid all Premiums now to date, and there are no others to pay until November next.

Note also letter from Atlas Assurance Co of 15th March acknowledging Cheque for £1679-1-1, also letter of 6th March acknowledging Cheque for £500/-. We also enclose you Policy of Insurance for £1,10,000/-, which please return with other enclosures after perusal.

From the above you will observe we have done all in our power to hasten on the Policies.— Bangalore is 800 miles from Bombay and we can only write and press them forward which we have been doing daily; therefore we do not see why we are to blame in the matter.

It would be much better as your debt is now reduced to £2,15,000/- to settle a stated sum as ample cover for your Loan, which would be £2,50,000/-.

If you settle upon this method, we will have this amount of Premium put in your possession, and if you chose, instead of paying the Premiums direct, we will make it payable by you, and then you can remit

If you will put this before the Government at once, before the Policies are all re-cast, we will have £2.50.000/- put in the name of the Mysore Government, and the Policies for the £2.50.000/- will always be in your own hands.- This will be much more satisfactory to all parties.
